**SUPPLEMENTARY INFORMATION:**

On July 5, 2012, the Access Board established an advisory committee to make recommendations to the Board on matters associated with comments received and responses to questions included in a previously published NPRM on Medical Diagnostic Equipment Accessibility Standards. See 77 FR 6916 (February 9, 2012). The NPRM and information related to the proposed standards are available on the Access Board's website at: <http://www.access-board.gov/medical-equipment.htm>.

The advisory committee will hold its fifth meeting on March 26 and 27, 2013.

The agenda includes the following:

- review of previous committee work;
- review and discussion of subcommittee work and recommendations;
- continued discussion on recommendations for transfer surface height and transfer support location and configuration
- consideration of issues proposed by committee members; and
- discussion of administrative issues.

The preliminary meeting agenda, along with information about the committee, is available at the Access Board's website (<http://www.access-board.gov/medical-equipment.htm>).

Committee meetings are open to the public and interested persons can attend the meetings and communicate their views. Members of the public will have opportunities to address the committee on issues of interest to them during public comment periods scheduled on each day of the meeting.

The meetings will be accessible to persons with disabilities. An assistive listening system, computer assisted real-time transcription (CART), and sign language interpreters will be provided. Persons attending the meetings are requested to refrain from using perfume, cologne, and other fragrances for the comfort of other participants (see

[www.access-board.gov/about/policies/fragrance.htm](http://www.access-board.gov/about/policies/fragrance.htm) for more information). Also, persons wishing to provide handouts or other written information to the committee are requested to provide electronic formats to Rex Pace via e-mail prior to the meetings so that alternate formats can be distributed to committee members.
